

## Our Vision

A strong, vibrant voluntary sector making a unique and vital contribution to our community's quality of life.

## Our Mission

CCE's mission is to promote excellence in nonprofit leadership by providing programs and resources that develop and strengthen the capabilities of boards of directors and professionals. Special emphasis is placed on the needs of small and midsize organizations.

## Our Approach

Believing that board and professional leadership excellence are complementary, CCE offers programs in leadership development and nonprofit management.

- CCE emphasizes practical approaches to needs identified by nonprofit organizations.
- CCE seeks and welcomes opportunities to work in partnership with organizations whose missions align with its own.
- CCE values peer learning and promotes networking and the sharing of best practices among volunteer and professional leaders.
- CCE strives to provide nonprofit leaders with convenient access to a broad array of resources available locally and online.
